

In electing claims 4-5 and 9-10, applicant reserves the right to file divisional applications or continuation-in-part applications for the subject matter covered by claims 1-3 and 6-8 and does not waive any of her rights therein or abandon the subject matter.

Since applicant has fully and completely responded to the Office action and has made the required election of claims and species, the application is now in condition for action on the merits.

Respectfully submitted,
